**Shona:** Native language

## EDUCATION

### BSc Computer Science with GIT, University of Stellenbosch

January 2020 - Present

4<sup>th</sup> year: Undergraduate (Final)

3<sup>rd</sup> Year: 60% Average

2<sup>nd</sup> Year: 60% Average

1<sup>st</sup> year: 64% Average

### Advanced Level, Marist Brothers Nyanga High School

January 2018 - November 2019

4 Subjects including:

- Mathematics: A
- Physics: C
- Geography: C
- Communication skills: Pass

## EXPERIENCE

### Head Student Assistant, Stellenbosch University

February 2022- Present

*As a teaching assistant, I supported the lecturer in facilitating practical sessions and grading assignments for a GIT module. Additionally, I was entrusted with the responsibility of invigilating quizzes to ensure academic integrity.*

### Mentor, Stellenbosch University

August 2022-Present

*As a mentor, my role is to guide and support first-year students residing in Dagbreek throughout the year. I am responsible for hosting mentor sessions and conducting weekly check-ins to monitor the progress of my students.*

Reference: [E: [leukes@sun.ac.za](mailto:leukes@sun.ac.za); T: +27 21 808 2400]

### Student Assistant, Centre for Geographical Analysis

April 2022- December 2022

*As an assistant, my responsibilities included digitizing and capturing vineyard data from satellite imagery. I utilized Google Earth, QGIS and Excel to efficiently carry out this task.*

**Private tutor, Katerie Barnard**

April 2022- May 2022

*I provided private GIS remote sensing tutoring sessions to two Qatari second-year students.*

Reference: [E: [Katerie.barnard@rbat.me](mailto:Katerie.barnard@rbat.me); T: +27 82 349 9446]

**Intern, Quantify Your Future**

January 2022- February 2022

*I collaborated with a team and utilized Excel to clean, analyze, and present data in a virtual internship program.*
